

Blowout in the Radio Room

Fight

Trippin¹ out, oh yeah
I'm freakin¹ out
This sound is bouncing me
Right off the wall.
Lose myself
I can't control myself
I'm a radio head
That's in free-fall.
Chorus:
Gets me high
High
High
High
Verse:
Hazy man, oh yeah
I'm blasted man
Out there flippin¹ through my
Paisley mind.
Ride the wave
From cradle
To the grave
Breathe it in with my own kind.
Chorus:
Gets me high
High
High
High
Verse:
Boned with sound, oh yeah
I'm stoned on sound
No one gets to me
Inside this room.
Verse:
Spacin¹ out, oh yeah
I'm racin¹ here
This sound gets in my head
My head goes boooom.
Chorus:
Gets me high
High
High
High
