

## Fades Like a Photograph

Filter

Have you ever seen the stars at night and wondered  
Why so bright (so bright)  
Have you ever seen the sunset on a cloudy night  
And wondered why tonight

And maybe there's just one time with you  
I want to remember for eternity, for eternity

Photographs taken like memories of you they disappear  
Colors of your eyes they fade with time  
They just can't stay clear, yeah!!  
Fades like a photograph  
Just want to bring you back

Have you ever seen the bottom of the ocean  
From a plane, what a sight  
Have you ever seen the sunrise  
In the snow cap mountains from twilight

And maybe there's just one time with you  
I want to remember for eternity, for eternity

Photographs taken like memories of you they disappear  
Colors of your eyes they fade with time  
They just can't stay clear  
Photographs taken like memories of you they disappear  
Colors of your eyes they fade with time  
They just can't stay clear, yeah!!  
Fades like a photograph  
Just want to bring you back  
Yeah, yeah whoaaa oooh
