We hate it when you get what you wanted
We hate it when your dreams come true
We love it when you fall to your knees
We love it when it cuts you in places
You've got no reason to look so conceited
We know the truth you just told as you cheated
You've got no reason to act so conceited
We know the truth you just told as you cheated
We hate it when you get what you wanted
We hate it when your dreams come true
We hate it when you get what you wanted
We hate it when your dreams come true
Yeah!
Sit yourself down
Sit yourself down motherfucker
Sit yourself down
Sit yourself down motherfucker
We wanted you to pick up the pieces
We wanted you to regain control
You got us dying, face down and broken
You left us there, to die in the cold
You've got no reason to look so conceited
We know the truth you just told as you cheated
You've got no reason to act so conceited
We know the truth you just told as you cheated
We hate it when you get what you wanted
We hate it when your dreams come true
We hate it when you get what you wanted
We hate it when your dreams come true
Yeah!
Sit yourself down
Sit yourself down motherfucker
Yeah!
Sit yourself down
Sit yourself down motherfucker
You just keep on taking
What you're giving
You walk away
Yeah!
Yeah!
We hate it when you get what you wanted
We hate it when your dreams come true
We hate it when you get what you wanted
We hate it when your dreams come true
Yeah!
```

Sit yourself down

Sit yourself down motherfucker Yeah! Sit yourself down Sit yourself down motherfucker
