

Keep Calm and Carry On

Finley

Rassegnazione

Galleggiamo nei mari dell'incertezza

Senza una direzione

Siamo navi impaurite nella tempesta

Non perdere la testa, mantieni il controllo Puoi solo risalire,
quando hai toccato il fondo

(close your eyes, take a breathe keep calm one, two, three, four)

Keep calm and carry on

Keep calm and carry on

Keep calm and carry on (keep calm and carry on)

Keep calm and carry onKeep calm and carry on

Keep calm and carry on (keep calm and carry on)

Mattone dopo mattone

Costruisco la mia consapevolezza

Abnegazione

La mia casa di paglia adesso è fortezza Serve solo pazienza, e

autocontrollo Ricorda che Roma non fu costruita in un giorno

(close your eyes, take a breathe keep calm one, two, three, four)

Keep calm and carry on

Keep calm and carry on

Keep calm and carry on (keep calm and carry on)

Keep calm and carry on

Keep calm and carry on

Keep calm and carry on (keep calm and carry on)

Sorridi, sorridi

E il mondo sorriderà con te

Piangi, piangi

E piangerai da solo

(close your eyes, take a breathe keep calm one, two, three, four)

Keep calm and carry on

Keep calm and carry onKeep calm and carry on

(keep calm and carry on)

Keep calm and carry on

Keep calm and carry on

Keep calm and carry on

(keep calm and carry on)

(keep calm and carry on)
