

## Drumset

Fiona Apple

The drumset is gone  
And the rug it was on  
Is still here screaming at me  
Why did you take it all away?  
Why did you take it all away?  
And the dialing of the phone  
Is no longer fun  
Since you've been done with me  
And you don't want to talk with me at all  
Why'd you take it all away?  
I did nothing wrong  
I don't believe it, I don't believe it  
I don't believe your reasoning  
Now I understand, you're a human  
And you got to lie, you're a man  
And you got to get what you want  
How you want it but so do I  
And I wanted to try

Why did you not want to try?  
Why did you take it all away?  
Why did you not want to try?  
Why did you take it all away?  
Why did you not want to try?  
Why did you take it all away?  
Why did you not want to try?  
Why did you take it all away?

Why did you take it all away? (You took it all away)  
Why did you take it all away? (You took it all away, took it)  
Why did you take it all away? (You took it all away)  
Why did you take it all away? (You took it all away)

The drumset is gone  
And the rug it was on  
Is still here screaming at me (You took it all away, took it)  
Why did you take it all away?  
Why did you take it all away? (You took it all away, took it)  
And the dialing of the phone (You took it all away, took it)  
Is no longer fun (You took it all away, took it)  
Since you've been done with me  
And you don't want to talk with me at all  
Why'd you take it all away?  
I did nothing wrong  
I don't believe it, I don't believe it  
I don't believe your reasoning  
Now I understand, you're a human  
And you got to lie, you're a man  
And you got to get what you want  
How you want it, but so do I  
And I wanted to try

Why did you not want to try?  
Why did you take it all away?  
Why did you not want to try?  
Why did you take it all away?  
Why did you not want to try?

Why did you take it all away?  
Why did you not want to try?  
Why did you take it all away?  
And
