

Hot Knife

Fiona Apple

If I'm butter, if I'm butter
If I'm butter, then he's a hot knife
He makes my heart a cinema scope
He's showing the dancing bird of paradise

If I'm butter, if I'm butter
If I'm butter, then he's a hot knife
He makes my heart a cinema scope
He's showing the dancing bird of paradise

He excites me
Must be like a genesis of rhythm
I get feisty
Whenever I'm with him

If I'm butter, if I'm butter
If I'm butter, then he's a hot knife
He makes my heart a cinema scope
He's showing the dancing bird of paradise

(I'm a hot knife, I'm a hot knife)
(I'm a hot knife, he's a pad of butter)
(If I get a chance, I'm gonna show him that)
(He's never gonna need another, never need another)

If I'm butter, if I'm butter
If I'm butter, then he's a hot knife
He makes my heart a cinema scope
He's showing the dancing bird of paradise

If I'm butter, if I'm butter
If I'm butter, then he's a hot knife
He makes my heart a cinema scope
He's showing the dancing bird of paradise

He excites me
Must be like a genesis of rhythm
I get feisty
Whenever I'm with him

I'm a hot knife, I'm a hot knife
I'm a hot knife, he's a pad of butter
If I get a chance, I'm gonna show him that
He's never gonna need another, never need another

If I'm butter, if I'm butter
If I'm butter, then he's a hot knife
He makes my heart a cinema scope
He's showing the dancing bird of paradise

I'm a hot knife, I'm a hot knife
I'm a hot knife, he's a pad of butter
If I get a chance, I'm gonna show him that
He's never gonna need another, never need another

I'm a hot knife, I'm a hot knife
I'm a hot knife, he's a pad of butter

If I get a chance, I'm gonna show him that
He's never gonna need another, never need another

He excites me
Must be like the genesis of rhythm
I get feisty
Whenever I'm with him

(I'm a hot knife, I'm a hot knife)
(I'm a hot knife, he's a pad of butter)
(If I get a chance, I'm gonna show him that)
(He's never gonna need another, never need another)

If I'm butter, if I'm butter
If I'm butter, then he's a hot knife
He makes my heart a cinema scope
He's showing the dancing bird of paradise

If I'm butter, if I'm butter
If I'm butter, then he's a hot knife
He makes my heart a cinema scope
He's showing the dancing bird of paradise

If I'm butter, if I'm butter
If I'm butter, then he's a hot knife
He makes my heart a cinema scope
He's showing the dancing bird of paradise

(I'm a hot knife, I'm a hot knife)
(I'm a hot knife, he's a pad of butter)
(If I get a chance, I'm gonna show him that)
(He's never gonna need another, never need another)

If I'm butter, if I'm butter
If I'm butter, then he's a hot knife
He makes my heart a cinema scope
He's showing the dancing bird of paradise

(I'm a hot knife, I'm a hot knife)
(I'm a hot knife, he's a pad of butter)
(If I get a chance, I'm gonna show him that)
