

Under the Table

Fiona Apple

I would beg to disagree, but begging disagrees with me
I would beg to disagree, but begging disagrees with me
I told you I didn't want to go to this dinner
You know I don't go for those ones that you bother about
So when they say something that makes me start to simmer
That fancy wine won't put this fire out, oh

Kick me under the table all you want
I won't shut up
I won't shut up
Kick me under the table all you want
I won't shut up
I won't shut up

I'd like to buy you a pair of pillow-soled hiking boots
To help you with your climb
Or rather, to help the bodies that you step over, along your route
So they won't hurt like mine

Kick me under the table all you want
I won't shut up
I won't shut up
Kick me under the table all you want
I won't shut up
I won't shut up

And if I don't wanna go, leave me alone, don't push me
Cookie, don't push me, don't you push me
If you get me to go and I open my mouth
To the f*cking mutton that they're talking about
You can pout, but don't you, don't you, don't you, don't you, don't you shush me

Kick me under the table all you want
I won't shut up
I won't shut up
Kick me under the table all you want
I won't shut up

I won't shut up
Kick me under the table all you want
(I would beg to disagree, but begging disagrees with me)
I won't shut up
I won't shut up
Kick me under the table all you want
(I would beg to disagree, but begging disagrees with me)
I won't shut up
I won't shut up

And if I don't wanna go, leave me alone, don't push me
Cookie, don't push me, don't you push me
If you get me to go and I open my mouth
To the f*cking mutton that they're talking about
You can pout, but don't you, don't you, don't you, don't you, don't you shush me

I would beg to disagree, but begging disagrees with me

I would beg to disagree, but begging disagrees with me
I would beg to disagree, but begging disagrees with me

Kick me under the table all you want
I won't shut up
I won't shut up
Kick me under the table all you want
(I would beg to disagree, I would beg to disagree)
I won't shut up
I won't shut up

Kick me under the table all you want
(I would beg to disagree, but begging disagrees with me)
I won't shut up
I won't shut up
Kick me under the table all you want
(I would beg to disagree, but begging disagrees with me)
I won't shut up
I won't shut up
