Master Of None

Fireball Ministry

Summon evil to the masses Open season on the weak Call it out before it passes Shut it down before it speaks

Rise
To the bottom
Time
To be true
Fall
When it's floating
Punish
Now it's due

Found it's way to the surface
After only
Came completely undone
Fell below the resurgence
Only to be
Crowned the master of none

Simple minded, open-ended Honest envy, broke and mended

Rise
To the bottom
Time
To be true
Fall
When it's floating
Punish
Now it's due

Found it's way to the surface After only Came completely undone Fell below the resurgence Only to be Crowned the master of none
