

## Rolling On

Fireball Ministry

Ante up the one who's deceiving  
Beside the one who's believing  
Emptiness to all that's raging  
Honest man, never aging

Break down the walls of evil  
Step aside for all that is good  
Emptiness fills the chasm  
A call to arms for war's orgasm

If I belong  
Keep rollin' on  
Ten miles too long  
Keep rollin' on
