

# Runaway Love

Firefall

I've been chasing you for a long time  
Layin' out my best lines  
But you just run away  
There you are, starin' at me from a distance  
So why all the resistance  
What is the game you play

Why tell me why  
Should there be this escapade  
Why make me cry  
When you just slip away

(Chorus)  
Runaway love  
Whatcha feelin' inside  
Runaway love  
And why do you deny that it could be love  
Ooh, my runaway love  
Runaway love  
You won't let me near  
Runaway love  
And what is it you fear about fallin' in love  
Ooh, my runaway love

Why is it so hard to get close to you  
Whatcha tryin' to put me through  
I'm dyin' for your touch  
Seems to me you've been holdin' out too long  
Your whole outlook has grown  
'Cause you're alone too much

(Chorus)

Runaway love  
Runaway love

Why tell me why  
Should there be this escapade  
Why make me cry  
When you just slip away

(Chorus)

Runaway love (repeats until fade)
