

# I've Got the Power

Fireflight

Burning bright, that's what I was born to do  
Never quit I know I won't ever lose  
Straight to the top  
You are watching me go  
You cannot stop me  
I'm about to blow  
Straight to the top  
You are watching me go  
You cannot stop me  
I'm about to blow

I've got the power inside  
The power to fight  
The power to be the light  
I've got the power within  
The power to win  
The power to go for it  
I've got the power  
I've got the power

Burning bright, that's what I was born to do  
Never quit I know I won't ever lose  
Straight to the top
