

## Dream

## Firehouse

I bet I've seen that face a hundred times or more  
Then you shed a tear  
What do you want from me?  
Is it something more than I can give?  
Just let me know  
Then you walk in my arms and say  
I need you more today

Dream baby dream  
Kiss me goodnight and I'll rock you to sleep  
Dream baby dream.... just slippin' away

Sometimes I'm so afraid there's nothing I can do  
You're always on my mind  
You know my hands were tied,  
and you know how hard I tried  
To never let you go  
Then you walk in my arms and say goodbye

Dream baby dream  
Kiss me goodnight and I'll rock you to sleep  
Dream baby dream.... just slippin' away

Down on my knees I pray for you every day  
I've been alone since you went away

Dream baby dream  
Kiss me goodnight and I'll rock you to sleep  
Dream baby dream.... just slippin' away
