

Take Me Away

Firehouse

this time what I want is you
there is no one else
who can take your place
this time you burn me with your eyes
you see past all the lies
you take it all away
I've seen it all
it was never enough
it keeps leaving me needing you

take me away
take me away
I've got nothing left to say
just take me away

I try to make my way to you
but still I feel so lost
I don't know what else I can do
cause I've seen it all
it was never enough
it keeps leaving me needing you

take me away
take me away
I've got nothing left to say
just take me away

don't give up on me yet
don't forget who I am
I know I'm not there yet
but don't let
me stay here alone

I've seen it all and it's never enough
it keeps leaving me needing you
I've seen enough and it's never enough
it keeps leaving me needing you

take me away
take me away
I've got nothing left to say
just take me away
take me away
take me away
