

## Stream Of Unconscious

Fischer-Z

You took my life but I still love you  
You dragged me down but I wanted you me to.  
You shooked me hard but I stuck like glue.

You stick to lies that you know the best.  
Six pairs of hands on a dead man's chest.  
Don't wanna die till I know the rest.

I gave you words but you wanted more.  
I never knew what you were fighting for.  
I never thought that you'd slam that door.

Baby we've been through so much together.  
It'll be all right.  
Why can't you take it anymore?  
Baby we've been through so much together.  
Tell me it'll all right.  
Why can't you take it anymore?

Dream a lot ... dream of the future.  
Dream a lot ... dream of the past.  
Dream a lot ... stream of unconscious ...
