## **Fearless**

You say the hill's too steep to climb Climb it You say you'd like to see me try Climb it You pick the place and I'll choose the time And I'll climb the hill in my own way Just wait a while for the right day And as I rise above the treeline and the clouds I look down hear the sound of the things you said today

Fearlessly the idiot faced the crowd, smiling Nothing waits, the magistrate turns 'round, frowning I know the fool who wears the crown Go down in your own way And everyday is the right day And as you rise above the fearlines in the frown You look down Hear the sound of the faces in the crowd
