Fish

It's just a matter of time a figure of speech  
That springs to mind throughout the day  
As the minutes go by, a second thought  
A moment lost, time ticks away

And everything changes  
Forever never lasts  
No such thing as always  
It's all too soon the past

Tumbledown, tumbledown  
Tumble, tumble, tumbledown  
Tumbledown, tumbledown  
Tumble, tumble, tumbledown

Rain Gods with Zippos  
A tin man's with a heart  
An end with no beginning  
It's just a race without a start

That you'll never win  
That you cannot lose and you fall apart

Tumbledown, tumbledown  
Tumble, tumble, tumbledown  
Tumbledown, tumbledown  
Tumble, tumble, tumbledown

The tarot declares a motion made  
A finger traps an empty glass  
The needles begin to make their mark  
You try to hide, you're leavin' tracks

I dream of fire and water  
Dream of deserts, dream up plans  
Like mountains and castles  
They're only grains of sand that

Tumbledown, tumbledown  
Tumble, tumble, tumbledown  
Tumbledown, tumbledown  
Tumble, tumble, tumbledown

Rain Gods with Zippos  
A tin man's bleedin' heart  
An end with no beginning  
It's just a race without a start

That you'll never win  
That you cannot lose so you fall apart

And tumbledown, tumbledown  
Tumble, tumble, tumbledown  
Tumbledown, tumbledown  
Tumble, tumble, tumbledown
