

Beautiful Life

Fisher

Hey child- up & go...
A big world is out there
Waiting for us to
Live in every day

Outside you will find
There is love all around you
Takes you- makes you wanna say

That it's a beautiful life
And it's a beautiful world
And it's a beautiful time
To be here- to be here- to be here

Yeah, the sky's blue
-Just us two
Side by side
We'll see the world
That surrounds us
Hey- seize the day
Each road- every mile's
A photograph in motion to astound us
-Carry us away

Into a beautiful life
'Cause it's a beautiful world
And it's a beautiful time
To be here- to be here

Leave all your cares behind you
The sun is rising- turn around
It's right in front of you
And it's a beautiful life
And it's a beautiful time
To be here - to be here

And it's a beautiful day
And it's a beautiful time
To be here
To be here
To be here
