

## Too Late

Fisher

Gone are the chances I have passed by  
Sewn all my seeds to the wind  
Time can be nothing but pain in disguise  
I'll never see you again

And it's too late  
To think of what I've left behind  
Dreams that have faded from view  
Too late Ā?? too late  
I've burned all my bridges with you  
And I can't walk on water

The road that I've traveled is all that I know  
Paved with each piece of my soul  
And it's taken me far but left you behind  
And I'm longing to see you again

But it's too late  
To think of what I've left behind  
Dreams that have faded from view  
Too late Ā?? too late  
I've burned all my bridges with you

Did I reach for a sky that wasn't my own?  
Lost in my own world  
Now I can never come home  
To you

And it's too late  
To think of what I've left behind  
Dreams that have faded from view  
Too late there's no turning back  
Nothing that I can undo  
And I can't walk on water
