

Theres a place in the back of my head  
I keep it dark, let no one in  
Theres a heart somewhere in my chest  
Is there a beat? Does it exist?

Will I ever feel anything  
Will I ever see the end of my story

I'm so haunted by who I used to be  
A brighter version that I left behind  
Wasted my innocence  
Seeing anger with my open eyes

Bring me back to a time where I didn't tear things down  
Bring me back to a life where I wasn't so let down

Am I here to live like I'm broken  
Am I here to lose my way?  
Separate me from the sorrow  
Give me hope for another day

I feel a space in the back of my head  
I don't feel the same, I just feel ashamed  
Everyday pounding in my chest  
Like a tidal wave that I can't escape

Bring me back to a time where I didn't tear things down  
Bring me back to a time where I wasn't so let down

Am I here to live like I'm broken  
Am I here to lose my way?  
Separate me from the sorrow  
Give me hope for another day

I can't turn back time, but I can let it go  
I'm fighting back against the poison in my soul  
I'm fighting back against the poison in my soul

Bring me back to a time where I didn't tear things down  
Bring me back to a life where I wasn't so, wasn't so let down

Am I here to live like I'm broken  
Am I here to lose my way?  
Separate me from the sorrow  
Give me hope for another day, day  
Give me hope for one more day
