

Better Off (Alone)

Fit For Rivals

There's nothing left for you to say,
it's the same old story.
Your ignorance is what's to blame,
it's worth ignoring

You're finding out that everyone has their own price to pay
The consequence of never wanting to change
Can I say? It's not the same just take the blame
Prove me wrong, I'm waiting here, can't have you near

Goodbye, I will make it out here on my own
Just so you know, I'm better off alone

There's nothing left for me to say
Just wait til morning
My patience at it's end again
it's worth ignoring

You're finding out that everyone has their own price to pay.
The consequence of never wanting to change
Can I say? It's not the same just take the blame
Prove me wrong, I'm waiting here, can't have you near

Goodbye, I will make it out here on my own
Just so you know, I'm better off...
Goodbye, I will make it out here on my own
Just so you know, I'm better off alone

Anything

Woah, woooah
Woah, woooah
Woah, woooah
Woah
Woooah

Goodbye, I will make it out here on my own
Just so you know, I'm better off...
Goodbye, I will make it out here on my own
Just so you know, I'm better off...
Goodbye, I will make it out here on my own (on my own)
Just so you know (just so you know)
Goodbye
Goodbye
I'm better off alone
