

Where Is Micah?

Five Iron Frenzy

" It's five minutes from the show, so where the heck did Micah go?

I don't know, he's not around. I didn't hear him make a sound. His

wherabouts we could not find. I think we left him behind.

Have you seen him? Micah, where did Micah go? Micah, should be at our show,

Micah, guess that we should find him, Micah, 'cause we kind of like

him here.

Poor John Walsh his heart is bleeding, " Have you seen me?"

Milk jugs reading: Does this face ring a bell, is he lost inside

some well? I think we left him at the show. I think we left him in

Toledo.

Have you seen him? Micah, where did Micah go? Micah, should be at our show,

Micah, guess that we should find him, Micah, 'cause we kind of like

him... We've got a roll of duct-

tape for the next time he tries to run

away. Come on Micah, it's time for your feeding, do you want another

senseless beating?

Micah, where did Micah go? Micah, should be at our show,

Micah, guess that we should find him, Micah, 'cause we kind of like

him here."
