

# Shine

Five Star

ah yeah  
oh yeah  
wo, ooh ooh  
yeah, eh yeah

in this material world, I don't need a lot  
I'll make the best of everything I knew I've got  
but what's precious to me  
is what I get from you, ooh, ooh, woh

the moment you look at me  
baby, your smile warms me  
just like solar energy  
there's no room for darkness  
boy, when I see you

[chorus:]  
(shine)  
(when I see ya)  
(shine) just like the stars so bright  
baby (baby)  
(shine)  
(baby, when ya)  
(shine) ooh ooh  
you light up my life  
when you shine (when you shine)

you're so special to me 'cause I know you care  
diamonds and pearls never gave me  
the joy we share  
not to mention  
the love and understanding, too  
ooh, ooh, woh

love has been good to me  
and I know in my heart  
you are here 'cause you wanna be  
although years of passing  
I keep wanting you, oh (your love)

[chorus]

oh yeah

[chorus]

I'd rather be a part of you  
than be rich and let loneliness  
take over me  
these words of mine  
you're gonna find each one's so true  
baby, shine

ah yeah  
yeah

the moment you look at me

baby, your smile warms me  
just like solar energy  
there's no room for darkness  
boy, when I see you, oh, ohh

(when I see ya)  
(baby, when ya)  
ooh, ooh, ooh  
you light up my life  
(when you shine)  
when you

[repeat chorus w/ ad-libs to fade]
