

Wherever

Five Times August

Its strange to me, given everything
But you don't know what it means
And I hate to be the one to disagree
But you dont know what your missin cause I

See inside you, wanna be the life of you
Cause you gave that much to me
Wherever you want me, whenever you need me
I'll be waitin for the time to go
Whatever your askin, theres no need to ask it
I'll be on my way to get it done

So I've laid it on the line
Do you need a little time
I guess i could understand that
Its alot to take in you wouldnt know where to begin
But you won't ever need some of that

Cause I see inside you, wanna be the life of you
Cause you gave that much to me
Wherever you want me, whenever you need me
I'll be waitin for the time to go
Whatever your askin, theres no need to ask it
I'll be on my way to get it done

Cause you know
I want you to know
Cause you know
I want you to know
That I could give you more then the world
And a little bit more

Wherever you want me, whenever you need me
Whatever your askin, theres no need to ask it
I'll be on my way to get it done
Wherever you want me, whenever you need me
I'll be waitin for the time to go
Whatever your askin, therse no need to ask it
I'll be on my way to get it done
I'll be on my way to get it done
I'll be on my way to get it done
done
I'll be on my way
