

# Got the Feelin'

Five

Na na na na na nah  
Na na na na na nah  
Na na na na na nah  
Na na na na na nah  
Na na na na na nah  
Na na na na na nah  
Na na na na na nah  
Na na na na na nah

Yeah, here we go again with the beats  
We got you heads bumping, now you're jumping from your seats  
If this is what you're wanting over there, throw your hands up in the air  
Because you know we bring the sounds so unique  
Now everybody's moving, everybody's grooving  
Getting down with Five when we come your way  
Move it to the left now, you shake it to the right  
'Cause you know we gotta keep this party pumping through the night  
Check me out now

Ayo, 7,6,5,4,3,2,1  
I'm on the microphone, got you hot like the sun  
So a 1,2,3 now I'm waiting on the 4  
Kick down the door and turn it up a little more  
If you got the feelin', jump up to the ceiling  
Ah, we're getting down tonight  
1 if you gonna, 2 if you wanna, 3 'cause everything's alright  
If you got the feelin', less of the dreaming  
Ah, we're getting down tonight  
It's just round the corner, tell me if you wanna  
Five will make you feel alright

Ah, move it at the back to the track  
We got it going on, we're the leaders of the pack  
Now if you feel alright, hold it tight  
See, we wanna carry on 'cause we're gonna take it through until the dawn  
Now everybody's moving, everybody's grooving  
Getting down with Five when we come your way  
So raise up your arms if we drop it on the 1  
You see we're gonna carry on because the fun has just begun
