

# Goodbye

Flame

They just shot my cousin fam right here in front of my face  
Two in his back and one in his face  
He still bleeding  
Wake up cuz  
Breathe homie breathe  
This ain't the time for you to leave homie please  
I called the police  
They ain't here yet  
He's laying here helpless  
His shirt is real wet  
I never thought that I would see this day  
My lil cousin a leave this way  
He was only 18  
He had dreams of leaving the game  
Leaving the cane alone  
He was seeking to change  
He just wanted to stack bread  
Buy his moms a Benz and baby sisters a brand new bed  
Please tell me God'll let him in  
He had a hard life  
Tell me God'll forgive him for his sin  
Tell me God got his angel back  
And that he got his wings  
And he ain't gotta deal with no more pain  
My cousin had a good heart  
I know God knew  
Tell my peeps was a good dude  
Tell me, Flame, it'll be okay  
If we just pray and I'll see his face again one day  
My cousin wasn't perfect, nobody is  
I know he fulfilled his purpose  
We all God's kids  
He left me here to live in the sky  
And I don't wanna say bye  
Why I gotta say

Goodbye Bye Bye Bye Bye Bye Bye  
I don't wanna say  
Goodbye Bye Bye Bye Bye Bye Bye  
See I don't wanna say  
Goodbye Bye Bye Bye Bye Bye Bye  
I don't wanna say  
Goodbye Bye Bye Bye Bye Bye Bye

I know it's real hard to say bye  
See I can't answer why  
Bu I know that we don't live in the sky  
And I know that we don't get wings  
God doesn't get angels back  
In fact we human beings  
See, God can't let us in  
And He won't let us in Heaven  
Unless we have His perfection  
Yea he might've had a hard life  
But if you not in a non stop relationship with Christ  
That changes the way that you act and think  
And putting off the old man

As he's becoming extinct  
Then you can't think that you and God are cool  
It's written in the Bible dude  
We can't break the rules  
And nobody has a good heart  
In God's eyes  
Nobody's good enough  
His standards too high  
Ain't no hope if you die in your sin  
I don't know if you'll see him again it all depends

I know it's hard  
To say goodbye  
To someone close to you  
In your life  
Where do I go from here?  
What do I do?  
So many questions  
So little answers

I thought that God was a god of love  
This is feeling like hate  
He allowed this to happen  
You can't say this a mistake  
How can a God full of mercy and grace  
Let a kid 18 catch a slug in the face

I know it's hard to see God's love at a time like this  
To see your little cuz die like this  
Remember this the same God who allows the life to be taken  
Will awake him but Christ would've  
Had to have been that mans Lord and Savior  
In order to be with the Lord who made us  
But the questions ain't why did he die in the game  
You let his death be in vain if you die the same

I'm tired Flame, cause the pain is deep  
I been trying for years for the Lord to change me  
I'm angry can I go where it's good at?  
I always thought I'd die right here where the hood at
