

God knows

Sometimes it comes out of the blue  
Man you tryin' to get out of the rain  
Feels like you out on the edge and you just tryna get out  
Jesus said that this life has troubles  
Yes he really meant that  
Every time is like the first time when you get some bad news and bracin' for impact  
Every time is like why? (why me?)  
You lose another piece of your soul  
Every night when you losing sleep  
And tryna squeeze belief that he's in control  
Feelin' like you at the end of your rope  
Got you feelin' like this ain't even fair  
Now you wondering is He even there?  
Does He care?  
But really you just scared  
He knows

Our God is invincible  
Within in the storm  
The faithful one anchors us  
He's invincible  
Our God is invincible  
Within the war the mighty one fights for us

He is our refuge  
Just know that God is for you  
He's not trying to ignore you  
Matter of fact, He don't hide his face  
But he provided grace  
And already went before you  
See, although you might walk through the fire  
He will not let you burn  
He the one that can speak to the winds and the waves  
And then He obey, then we learn  
That His grace is sufficient  
Power's perfect in weakness  
He increases our strength  
We broken but limping to Jesus  
Though my flesh, my heart may fail  
He's my shelter, my helper  
Because God is the strength of my heart  
And my portion forever  
Amen

Our God is invincible  
Within in the storm  
The faithful one anchors us  
He's invincible  
Our God is invincible  
Within the war the mighty one fights for us

Come on to the cross  
You will be set free  
Through every trial, there is victory in Jesus

Come onto the cross you will be set free  
Through every trial, there is victory in Jesus

Our God is invincible  
Within in the storm  
The faithful one anchors us  
He's invincible  
Our God is invincible  
Within the war the mighty one fights for us

He's invincible yeah  
He's invincible  
He's invincible  
He's invincible, yeah  
He's invincible
