[Verse: Meech]

I'm so high from last night woke up on the ceiling yo Bucket low like fuck it though, nigga feel like Gilligone Fuck being better than you, I'm tryna be better than me It's just me myself and I, I'm just tryna be better than we Roll that weed, no stress we need Smoking 'til we catch a seizure, Rick Ross indeed The XO got me staggerin' like I ain't got no balance and My bitch head great and yours mentally challenged Three bitches and me, hah, now that's some foreplay Sex sweet sticky sheets pussy tastes like shortcake Grandaddy OG kush and Old English Can't tell me that my soul ain't old nigga My money bloody so she call me Count Rackula Endzone dance in the pussy then I tackle her No I never shackle her take the condom wrap her up My dick is a gift so I wrap it up Beat the kitty nine times now all her life gone This is my retarded flow call it 50 Tyson Puttin' this dick in this pussy constrict like a python This weed is quite strong I stuff it and ignite bomb Inhale exhale take a whiff I bet you smell me Pissy off the chrissy I'm pissin' on bitties like R. Kelly I'm young black and gaudy, young black and horny She young black stacked, ass fat, face gorgeous Never ask for shit and her ego is enormous Remember she's a bitch so of course a nigga dog her Safari print lenses, I murdered the beat Dissect it and do forensics and leave without a blemish Smokin' on headband, overviewin' the earth Life is a fifty fifty you know gift and the curse How deep is too deep cause I done seen the bottom Feels like the earth is in my reach because that's how high I'v e gotten I dispose of you foes and these shows through the flows Pop a tab and crush the globe as my third eye glows It's hard to believe that there is barely a heart in me Stepped in my mistake cause it only made a smarter me Even blood know, cause flow like an artery

Even 'cause know, blood flow like an artery
