

# Hate Is Much You Can

Fleshless

Soon coming thru evil  
Like an illness from your mind

Love is useless  
No more existing  
Too much pain  
Into my life is bringing

Hate&ldots; as much you can  
Hate

Loosing all illusions  
Breaking the hope  
Don't believe anything  
Kill the idol, dope

World is not a place  
Where you should live  
Suffer cry depression  
Hard trip to paradise...

Hate as much you can  
Hate as much you can

Hate
