

Through Killing Spree

Fleshless

A perfect collection
Such eighth wonder
Precisely removed
No soft tissues
To sate my hunger
Just hard carnal fraction

A perfect collection
Such eighth wonder
Precisely removed
No soft tissues

Bones, die Knochen, ceneri or osamenta
No matter which language you speak
Everything earthly turns to rancid, stinking tar
Hastai! Aurispicy freak...
(2x)

The meat liquefaction
I need all that remain
Filthy, fleshy sludge
Your new shape
And life regained
(Through this skeletal action)

Future extraction
Released for me
A rattling oracle
Through killing spree
Fresh bones seduction
Through killing spree
