

# Need You

## Flight Facilities

I need you  
But you don't want me  
Don't want me, too

I need you  
But you don't want me  
Don't want me, too

You left me in the worst way  
I'm scarred and my tears stain  
And when you know I'm hurting  
You pull my heart out  
It was yours to break

Now I'm running out of time to heal  
The pain that you've been causing me  
And I know you've been in my mind  
I can't make you mine, can't you see

I need you  
But you don't want me  
Don't want me, too

I need you  
But you don't want me  
Don't want me, too

Need you  
(I need, I need you)  
I need you  
(I need you, I need you)  
(I need you, I need)  
I need you

Hooohoo, yooohooohoo  
Got me in the fire  
I need you  
Hooohoo, yooohooohoo

Can we be together?  
Is it gonna change?  
Or will you feel the same way forever?  
You were the one, and now it's done  
You can't understand what it was like  
And I wonder why

I need you  
But you don't want me  
Don't want me, too

I need you  
But you don't want me  
Don't want me, too

(I need, I need you)  
I need you  
(I need you, I need)

(I need you, I need)

I need you  
But you don't want me  
Don't want me, too

I need you  
But you don't want me  
Don't want me, too

Hooohoo, yooohooohoo  
Got me in the fire  
I need you  
Hooohoo, yooohooohoo  
Need you
