

Robots

Flight of the Conchords

The distant future, the year 2000
The distant future, the year 2000
The distant future, the distant future

It is the distant future, the year 2000
We are robots
The world is quite different ever since
The robotic uprising of the late nineties
There is no more unhappiness, affirmative

We no longer say yes, instead we say affirmative
Yes, affir-affirmative
Unless we know the other robot really well
There is no more unethical treatment of the elephants
Well, there's no more elephants, so ah, but still it
