

# I Cry

Flo Rida

I know  
Caught up in the middle  
I cry just a little  
When I think of letting go  
Oh no  
Gave up on the riddle  
I cry just a little  
When I think of letting go

I know you wanna get behind the wheel but only one Rida  
Eyes shut still got me swimming like a diver  
Can't let go I got fans in Okinawa  
My heart to japan quake losers and survivors  
Norway no you didn't get my flowers  
No way to say it better but the killer was a coward  
Face just showered, the minute in a hour  
Heard about the news all day went sour  
Bitter moments got me feeling like a lemon here  
Put you in the box just as poisonous as a cigarette  
Send my regards or regardless I get arrested  
Ain't worried about the killers just the young and restless  
Get mad 'cause the quarter million on my necklace  
DUI never said I was driving reckless  
You and I know that jealousy is not oppressive  
Oh no I can't stop I was destined

I know  
Caught in the middle  
I cry just a little  
When I think of letting go  
Oh no  
Gave up on the riddle  
I cry just a little  
When I think of letting go, go, go, go

I know  
Caught in the middle  
I cry just a little  
When I think of letting go  
Oh no  
Gave up on the riddle  
I cry just a little  
When I think of letting go

Champagne buckets still got two tears in it  
And I put that on my tattoo of Jimi Hendrix  
Get depressed leather outfit all in it  
'Cause the press tell it all get a meal ticket  
Clean next get in the car just a little visit  
Sacrifice just to make a hit still vivid  
Rihanna kiss you blessed just kill critics  
Bugatti never mean I'm rich, just God fearing  
Look at me steering, got no boss staring  
Got a good feeling  
Mr Mike Caren, tell his Billie Jeans  
I'm on another planet  
Thank E-Class, Big Chuck or Lee Prince Perries

Buy my momma chandeliers on my tears dammit  
Thirty years you had thought these emotions vanish  
Tryna live, tryna figure how your sister vanish  
No cheers, I know you wouldn't panic

I know  
Caught up in the middle  
I cry just a little  
When I think of letting go  
Oh no  
Gave up on the riddle  
I cry just a little  
When I think of letting go, go, go, go

I know  
Caught in the middle  
I cry just a little  
When I think of letting go  
Oh no  
Gave up on the riddle  
I cry just a little  
When I think of letting go

When I need a healing  
I just look up to the ceiling  
I see the sun coming down  
I know it's all better now  
(4x)

I know, I know, I know, I know, I, I, I, I think of letting go, go, go, go

I know  
Caught in the middle  
I cry just a little  
When I think of letting go  
Oh no  
Gave up on the riddle  
I cry just a little  
When I think of letting go

I know  
Caught in the middle  
I cry just a little  
When I think of letting go  
Oh no  
Gave up on the riddle  
I cry just a little  
When I think of letting go
