

This is what it feels like and this is what it takes
This is what it feels like and this is what it takes
This is what it feels like and this is what it takes
Sometimes I think about getting it and it gives me the shakes

And if you hear something strange, like the sound of the boatman's call
Don't be afraid to cut the rope and enjoy the freefall

This is what it feels like and this is what it takes
This is what it feels like and this is what it takes

This is what it feels like and this is what it takes
Sometimes I think about getting it and it gives me the shakes

We are the rats who beat the maze, but we still reach the same four walls
We can still let go of hope and enjoy the freefall
Fall

And if you hear something strange, like the sound of the boatman's call
Don't be afraid to cut the rope and enjoy the freefall
