

White Dress

Floater

Tina wore a white dress
She didn't know it was a funeral
Tina wore a white dress
She didn't know it was a funeral
Until she cried at what she knew to be the rest of her life

Guilty of nothing, sentenced like a criminal
Guilty of nothing, sentenced like a criminal

To a white room with a window to the world outside

Found her on the carpet carving on her headstone
Found her on the carpet carving on her headstone
She looked so still when she quietly said, "Please take my life
."
