(Peter Kingsberry/Dimitri Ticovoi - Bruno Jardel - Peter Kingsb erry) What was blank space Here now lies someone Well I know this face And where it comes from Thanks for crying, drinks on me In your mother's eye Talk of spitting imagery We all need protection How to forgive This restless sleeper Each day we live I'm breathing deeper Think of me the other guy With the gravely voice D.J. of the lullaby We all need protection If I am Tarzan This must be Jane's boy Sweet as a lamb On his asteroid Papers are in order So it looks like you can stay Though why make such an entrance In a loud abstrusive way No one here is innocent We all need protection
