

## On my way

Flow

I formed the band Back in 98 With my bro TAKE We gave it a name  
and it was FLOW And then Y2K 3 guys joined the band Made our m  
ajor debut on TV screen

We'd go on a tour And radio shows We were on the run All the up  
s and the downs Everything would become our strength

I'm on my way and I won't turn around Goodbye to yesterday Say
