Fluffy

Cross dresser
Slut angel selling acid punch
Dominatrix with a submissive glance
Botticelli with a tattooed bust
Chorus
She tried as hard as she could
But not as hard as he thinks she should
So she's a
Cross dresser
He'll never possess her
Cross dresser
Deceit under pressure
And when she was bad
She was very, very bad
And when she was good
She was horrid
He's so embarrassed when she lets herself go
So she acts like a good girl, puts on a show
All this pretense leaves them both feeling low, but
Chorus
1st verse repeated
She tried as hard as she could
But not as hard as he thinks she should
So she's a

So she's a
Cross dresser
He'll never possess her

And when she was bad
She was very, very bad
And when she was good
She was horrid
