

Drop the Game

Flume

I've been seeing all, I've been seeing your soul
Give me things that I've wanted to know
Tell me things that you've done
I've been feeling old, I've been feeling cold
You're the heat that I know
Listen, you are my sun

Oh oh oh oh oh

Hush, I said there's more to life than rush
Not gonna leave this place with us
Drop the game, it's not enough
Hush, I said there's more to life than rush
Not gonna leave this place with us
Drop the game, it's not enough

I've been seeing all, I've been seeing your soul
Give me things that I've wanted to know
Tell me things that you've done
I've been feeling old, I've been feeling cold
You're the heat that I know
Listen, you are my sun

Oh oh oh oh oh
