

# There For You

Flyleaf

**Em**                    **D**    **G**    **D**  
Sometimes I'm selfish fake  
**Em**                    **D**                    **G**  
You're always a true friend  
**Em**                                    **D**  
And I don't deserve you  
**G**    **D**  
'Cause I'm not there for you  
**Em**                    **G**                                    **D**  
Please forgive me again

**Em**                                    **D**                    **G**  
I wanna be there for you  
Someone you can come to  
Runs deeper than my bones  
I wanna be there for you  
I wanna be there for you

Swirling shades of blue  
Slow dancing in your eyes  
Sun kisses the earth  
And I hush my urge to cry, cry

**G**    **D**  
'Cause I hear the whispered words  
**G**    **D**  
Within your masterpiece beautiful  
**Em**                                    **D**                                    **G**  
You speak the unspeakable through

**Em**    **D**    **G**  
I love you too  
**Em**                                    **D**                    **G**  
I wanna be there for you  
**Em**    **D**    **G**  
Someone you can come to
