

## Tiny Heart

Flyleaf

Tiny heart  
Stuck inside yourself  
When will you open up for me

I love you so  
I wanna meet you again  
Before one of us must go

Your lips touched every hand but mine  
If you choose me, I'm waiting for you  
If you choose me, I'm waiting for you  
Always waiting

Tiny heart  
You're not by yourself  
When will you recognize the beat

Of my own heart  
Grieving in your hand  
You crush me when you run that way

Your lips touched every hand but mine  
If you choose me, I'm waiting for you  
If you choose me, I'm waiting for you  
Always waiting

You will never know  
What you have done to me  
You will never know losing love from me  
And you will never know a single day alone

Tiny heart  
Stuck inside yourself  
When will you open up

Your lips touched every hand but mine  
If you choose me I'm waiting for you  
If you choose me I'm waiting for you  
Always waiting
