All The Days

FM Static

This is the last day of our freshmen summer Text books and essays wait around the corner Saying goodbye now to our best friends We'll try if we can to get home on the weekends

I gotta run now go home and take a shower
We all can meet up at your house in half an hour
I can't get ready any faster we better make it quarter after

Runnin' through the high school hallways
This is all we've known until now
And I don't ever wanna slow down
I'm packed, and I'm ready to go now

Now we'll all meet up and go our own ways Probably won't see each other the same ways But no matter what happens we'll never Forget all the times we've had together

Runnin' through the high school hallways
This is all we've known until now
And I don't ever wanna slow down
I'm packed, and I'm ready to go now

All the days we've been traveling together I won't even look over my shoulder Till I find a cure for getting older

Runnin' through the high school hallways
This is all we've known until now
And I don't ever wanna slow down
I'm packed, and I'm ready to go now

All the days we've been traveling together I won't even look over my shoulder Till I find a cure for getting older
