

Girl Of The Year

FM Static

I met this girl who likes her heavy metal
She gets excited when slipknot plays on
Leno she's a heck of a girl with no cares in
The world and she likes it that way

She wears black socks with pink stripes in
'em and she swears that her friend goes
Out with Richard Simmons she's a one of a
Kind i can't get off my mind and i like it
That way

And if you listen closely you will hear then
Say...

Stand clear she's the girl of the year and
There's no use in trying to get her off my
Mind she stole my heart and she's tearing
It apart it's never gonna be the same

She's a love potion that plays with your
Emotions a big swimmer that won't go
Near the ocean and if everything's fine
She'll get to work on time and they like her
That way

She wears black socks with pink stripes in
'em and she swears that her friend goes
Out with Richard Simmons she's a one of a
Kind i can't get off my mind and i like it
That way

And if you listen closely you will hear then say...

Stand clear she's the girl of the year and
There's no use in trying to get her off my
Mind she stole my heart and she's tearing
It apart it's never gonna be the same

And now i'm taping myself together i'm taping
Myself together again now i'm taping
Myself together i'm taping myself together
Again

And I won't let this happen again
Eh-eh, hey-eh, ey-e-yeah-e-yeah-eh,
Eh-eh, hey-eh, ey-e-yeah-e-yeah-eh

Hey-Hey!...Together again and again and
Again and together again and again and
Again and again...

Stand clear she's the girl of the year and
There's no use in trying to get her off my
Mind

She stole my heart and she's tearing it
Apart she stole my heart and she's tearing

It apart she stole my heart and she's tearing
It apart she stole my heart and she's
Tearing it apart now it's never gonna be the same
