

# The Notion

FM Static

She knows that I'm waiting by the door  
I know that she's trying to cover up staring at the floor

Let's go! Don't say maybe, forget everyone around  
Let's get together and get down I know  
It sounds crazy, 1,2,3 times a lady

Oh no, I've got the notion, let's get together and start the co  
mmotion  
Round and round til everyone stops, til the next needle on the  
record player drops

It's almost time to say our goodbyes and get home tonight  
Let's do it up one more time, show these people what we had in  
mind

Let's go! Don't say maybe, forget everyone around  
Let's get together and get down I know  
It sounds crazy, 1,2,3 times a lady

Oh no, I've got the notion, let's get together and start the co  
mmotion  
Round and round til everyone stops, til the next needle on the  
record player drops
