

What A Day Day

Fog

It's great to see the people that you saw yesterday!
See them today, and say "Hey!" "Hey", then say, and you
Go on your way-
It's great to be the people that they saw yesterday!

Hey! Oh, hey!
The ex-boyfriends are cowering inside the SA
When Hitler marches down Lyndale like the Champs-Elysses

I declare today to be "What-a-Day" Day!
"What-a-Day" Day!

If you need me call my lawyer...
I'm going where the stoplights turn green for ya...

I declare today to be "What-a-Day" Day!
"What-a-Day" Day! "What-a-Day" Day!

"Hall-o Sheriff!" "Hell-o Mayor!"
Later Rinse Repeat...
