

The Doomed Crusade

Folkearth

A long long tuime ago crusader warriors
Decided to declare war upon
The men of Vytautas the Great and Jogaila
Who took up the challenge of the foe
Laid out was the plan
And summoned were the warrior
Destined to go forth to enemy lands!

Hail! Hail! Vytautas the Great
March! March into fire and war
Hail! Hail! Vytautas the Great

Crusader warriors started to attack
And fell upon the swarms
Of Vytautas the Great
Kindled was a fight, a fight to the death
Not one brave soul was lost that day!

Hail! Hail! Vytautas the Great
March! March into fire and war
Hail! Hail! Vytautas the Great

The legions of Vytautas the Great
Fought bravely and proud
After a long-tasting battle
Crusader warriors finally surrender

Hail! Hail! Vytautas the Great
March! March into fire and war
Hail! Hail! Vytautas the Great
