This state

I'm in

A place I've never been

Ami Am6 Am7 G D

I'm dying to meet you here

Come break

This skin

I'll let you sink right in

And show you everything

See you in hell

We'll gather around the fire

Sing farewell

Ami G D

See you in hell

Come break

My spell

Well down the wishing well

We'll find some time to kill

I'll be

Right there

The buzz inside your head

The whole electric chair

See you in hell

We'll gather round the fire

And I don't need the choir

Sing farewell

See you in hell
