

Awake To The Sound

For All Eternity

This darkness, left me with nothing

I could not see, and I was captivated, in disbelief (in disbelief)

But now, my eyes are open. I have new sight and you are the light that I'm chasing

If only you were standing right in front of me

I hate this separation, this is not where I'm meant to be

We must be together, there's nothing else that this world can offer me

But I won't give up, and I won't give in.

Can you hear the sound

There's no sweeter sound than the footsteps of the Almighty

Coming to find me, coming to bring me home

Come find us, here we are.

Sitting and hoping and seeking your love to overflow

Because I owe everything that I am to you,

And everything I have belongs to your kingdom

I must bare the truth Can you hear the sound?

There's no sweeter sound than the footsteps of the Almighty

Coming to find me, coming to bring me home

There's no sweeter sound

I can hear the footsteps,

I can hear him coming

I can hear the footsteps

I can hear him coming

To take us home.

There's no sweeter sound

I can hear the footsteps

Of the Almighty.
