

# Stitched the Same

For All Eternity

These words have shaped me to this day  
Directed me to the path I now take.  
"You have encouraged me to lead the life I always wanted to lead"  
I want to be the inspiration that they need  
There is no difference between you and me.

Are we all woven together?  
Are we all tied in knots, because I know I'm this way?  
Don't you feel the same?

Meet me half way, I'll take the stage you take the clay.  
Such a humble exchange, we all find home in this place.

I hope you find what you are looking for.  
But if you doubt, don't be ashamed.  
Because we're all woven together, and tonight we're stitched the same.

Tonight we're stitched the same  
I'm just the same as you, all my struggles and mistakes.  
So let's hold each other up, because we know we've been made this way.

Cos we're all woven together  
And tonight we're stitched the same.
