

Believe Me, I'm Lying

Forever the Sickest Kids

Hey, you always seem to catch me when I'm lying
About the stupidest of things
Okay, stay there while I'll stab you in the back with the words
I never, never, never should have taken this so far

Go ahead and buy yourself a drink
'Cause you know you're deserving of it
Go ahead and cry yourself to sleep
And think how you hate me so bad

Go ahead and buy yourself a drink
'Cause you know you're deserving of it
Go ahead and cry yourself to sleep
And think how you hate me so bad

I could write about a thousand songs to impress you
But I wouldn't want to do that
I could make you feel like the queen of the world, but I won't
'Cause you're full of imperfections

And this is coming from a third perspective
All I'm saying is you need to be selective
This is coming from a gentleman
With your needs in mind, I've got his on the side

Go ahead and buy yourself a drink
'Cause you know you're deserving of it
Go ahead and cry yourself to sleep
And think how you hate me so bad

Go ahead and buy yourself a drink
'Cause you know you're deserving of it
Go ahead and cry yourself to sleep
And think how you hate me so bad

Go ahead and buy yourself a drink
'Cause you know you're deserving of it
Go ahead and cry yourself to sleep

Go ahead and buy yourself a drink
'Cause you know you're deserving of it
Go ahead and cry yourself to sleep
And think how you hate me so bad

Go ahead and buy yourself a drink
'Cause you know you're deserving of it
Go ahead, go ahead
And think how you hate me so bad
