

Whoa Oh! (Me vs. Everyone)

Forever the Sickest Kids

I candy-coat and cover everything
But I'm still hiding underneath
It's been a long time
It's been a long time
A thousand faces looking up at me
Hands all pointed to the ceiling
Oh, what a feeling

I've got friends in highly low places
I'm standing on post, and I'm posted up
Can't afford to lose them
I've got friends in highly low places
I'll go inside when I wanna party
Grab a girl and dance
(Don't touch me)

Whoa oh, whoa, whoa oh
Why do I put myself in these situations?
Whoa oh, whoa, whoa oh
I keep pushing myself
Even though I can't take it at all

Girl, who taught you how to move like that?
At this pace you're at you're going way too fast
I, I saw you from across the room
It's me versus every guy
It's your choice
You choose

I've got friends in highly low places
It's been a long time
It's been a long time
And maybe baby, you could rise above the rest to meet me

Whoa oh, whoa, whoa oh
Why do I put myself in these situations?
Whoa oh, whoa, whoa oh
I keep pushing myself
Even though I can't take it at all [x2]

You're worth losing my self-esteem
Your clever words mean nothing more to me
Than a lot I've heard in a movie
You're worth losing my, losing my
Losing my self-esteem
You're not worth
Putting myself in these situations

Whoa oh, whoa, whoa oh
Why do I put myself in these situations?
Whoa oh, whoa, whoa oh
I keep pushing myself
Even though I can't take it at all [x2]
